Evaluation Criteria for Funding

Our club has set a strategic framework that will be used as our internal guideline for assessing requests for funding or project support. While most of our funds are committed in advance, we welcome additional requests for funding which support our strategic goals. To assist you with your proposal, it would be helpful for you to understand how our club functions and what we are striving to achieve:

We aim to support organizations that:

- Are seeking funds for a specific project or need,
- Have a focus on Youth,
- Offer a strong organization with a clearly defined plan or objective,
- Promotes health and wellbeing,
- Focuses on assisting the underserved or under supported,
- Works to improve Literacy,
- Have a strong plan and realistic timeline,
- Present an opportunity for our members to get involved, and/or
- Assist the disadvantaged either locally in Wellington County or the Developing World!

Rotary International Avenues of Service

The Rotary Club of Guelph South (and Rotary International worldwide) is organized into five "Avenues of Service". In order to meet our club's goals, we have decided that each avenue should pursue the specific 'key results' described below.

Club Service Avenue

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of our Rotary club.

Community Service Avenue

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

Vocational Service Avenue

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

International Service Avenue

Our efforts in this avenue are to improve literacy, numeracy, and health, while striving to reduce hunger and poverty in the world beyond Canada's borders. Equally important is achieving the goal of self-reliance in projects we undertake. Last, but not least, we wish to improve understanding, goodwill and peace through our work, both internationally and within our community.

Youth Service

Youth Service recognizes the positive change implemented by youth and young adults through leadership development activities such as [RYLA](#), [Rotaract](#) and [Interact](#) club service projects, and creating international understanding with [Rotary Youth Exchange](#).
