

SPONSORSHIP PACKAGE

2026 Scrabble Party FUNdraiser — The Rotary Club of Guelph South Charitable Foundation is proud to join forces with *Guelph GoGo Grandmothers (4Gs)* and *The Bench* to host a vibrant community **FUNdraising Scrabble Party** on **Saturday, April 18, 2026**. This much-loved annual event brings friends, neighbours, and community advocates together for an afternoon of social connection, friendly competition, and meaningful impact for charitable causes.

Why your support matters. Every donation—large or small—helps create a more vibrant, connected community for those facing food & housing insecurity, or families inflicted with HIV/ AIDS. Your contribution helps Rotary support greatest community needs, and expands the impact of our partner charities.

HOW TO SUPPORT WITH IMPACT

- ✓ **Gift Cards**— Gift card donations of **\$25 - \$100** for our Mystery Tree help create a fun, high-value draw that guests love and that raises significant funds.
- ✓ **Silent Auction Contributions** — Experiences, classes, workshops, restaurant certificates, artisanal goods, and other consumables make excellent auction items and attract enthusiastic bidding.
- ✓ **Cash Donations** — Help us offset event costs so that a greater share of proceeds can go directly to our charitable partners.
- ✓ **Table Sponsorships** — Businesses or individuals can sponsor a Scrabble table, with signage and recognition at the event. Platinum and Gold-level sponsors receive complimentary admission for (4) to participate on game day!
- ✓ **Refreshment Sponsorships** — We love supporting our local restaurants & caterers! Contribute snacks, beverages, or catering to help elevate our guest experience, and we will promote your business to 200+ community members who support and shop local!
- ✓ **Sponsor an Experience** — Do you know a business that offers guided tours, private lessons, tastings, or behind-the-scenes opportunities? These donations make highly desirable auction items!
- ✓ **In-Kind Marketing Contributions** — Printing services, design support, or promotional materials are greatly beneficial to our volunteer-led fundraisers & reduce overhead costs.
- ✓ **Professional Services** — Photography, consulting, coaching, or other professional expertise packages can be greatly impactful for local, small business entrepreneurs.
