Arboretum at University of Guelph

200 Arboretum Rd, Guelph

Rotary International

Rotary unites people from all continents and cultures who take action to deliver real, long-term solutions to our world's most persistent issues. In communities across the globe, our 1.4 million members come together to strengthen their connections with friends and neighbours and their commitment to improving lives.

For more than 110 years, our 46,000+ clubs have used their passion and energy to take action on sustainable projects. Together, we work to promote peace, fight disease, support education, grow local economies, protect the environment, save mothers and children, and provide clean water, sanitation, and hygiene. We are always working to better our world, and we stay committed to that end.

The Rotary Club of Guelph South

Chartered in 2001, the Rotary Club of Guelph South supports the Guelph and Puslinch communities through fundraising and community events, while also contributing to important, global Rotary initiatives. Our goal is to create positive and lasting change by caring for those in need in our own community and making a difference in the lives of those less fortunate. We are dedicated to supporting multiple local charities, institutions, and international humanitarian projects. Along with all Rotary clubs around the world, we engage the community and its leaders to support the work of Rotary with a local, city-core focus on community, families, and children in need.

Lunch at The Arboretum

This is our fourth annual FUNdraising lunch and an incredibly impactful event in that we will be auctioning support for five wonderful charities:

- [Chalmers Centre](#)
- [Guelph Food Bank](#)
- [Guelph Wellington Women in Crisis](#)
- [Mexico Shoebox Project](#) (Rotary Group initiative)
- [The Bench](#)

By partnering with Rotary Club of Guelph South as a sponsor, your company's commitment to engage in social responsibility will have a positive impact in our community by supporting our local and international charities. In addition, your company's reputation within the community will be elevated, and your staff can be proud to be associated with such a philanthropic organization!
