Inaugural Dinner for Diabetes Stem Cell Research

"A cure for diabetes isn't a hope, it's a reality" ~ McEwen Centre (Toronto)

Did you Know?

- 1 in 4 Canadians are affected by Diabetes (~ 3 million Canadians; 1 million don't know they have it)
- Diabetes is the 21st century epidemic
- By 2020, 438 million people worldwide will have Diabetes

The Banting & Best Diabetes Centre (University of Toronto) and the McEwen Centre for Regenerative Medicine (University Health Network) are home to leading world researchers in the quest for improved management—or even a cure—for Diabetes.

Scientists at the McEwen Centre for Regenerative Medicine have made significant progress in developing insulin producing beta cells.

This could eliminate the need for daily multiple insulin injections in diabetes patients.

Join us to listen to 2 world renowned researchers share the scope of diabetes problems and the exciting potential of stem cell based solutions.

Speakers

Dr. Gary Lewis, FRCPC, MD

Director, Banting & Best Diabetes Centre
Senior Scientist, Division of Advance Diagnostics—Metabolism, Toronto General Research Institution

Dr. Maria Cristina Nostro, PhD

Principal Investigator, McEwen
Centre for Regenerative Medicine
Harry Rosen Chair in Diabetes and
Regenerative Medicine Research

Dinner Event hosted by the Dufferin-Erin-Caledon Cluster

Topic: Diabetes Stem Cell Research

May 1, 2014

Rotary
District 7080

My Why:

To serve as your District Leader for one year is my way to show my gratitude. Thanks to a Rotary event at least one life was saved.

Remember:

Any event (big or small), any project in your community or worldwide, any amount of funds raised has the potential to change, improve or save at least one person's life.

WHAT'S YOUR
WHY?

The Message for this Rotary Year

***UNITE
FOR
GOOD***

My Vision for this Year in Our District

- **Unite for Good** - Work with different organizations and join forces
- Come up with at least **one** new and creative project or event to tell more people about Rotary - Try something new!

My Vision for this Year in Our District

- Incorporate Rotary's **Action Plan** in your Club Planning
- Enter and track **goals** for the next three years in **Rotary Club Central**

My Vision for this Year in Our District

- Have a solid **Succession Plan**
- Increase Membership in your own Club,
or start a **Companion Club or Satellite Club**

My Vision for this Year in Our District

- Please make **The Rotary Foundation** your charity of choice - Donate **US\$100** per year to be a **Sustaining Member**
- Donations to the **Annual Fund** come back to the District in 3 years to support **projects in the District** and beyond

My Vision for this Year in Our District

- Consider leaving a lasting legacy by making a contribution to the **Endowment Fund**
- Help our District increase the number of **Paul Harris Society** and/or **Polio Plus Society** Members

My Vision for this Year in Our District

HAVE
FUN

Rotary
District 7080

*Spread a little Aloha ...
and Gratitude*
